Clerk to the Board

Press Release
from the County Manager's Office
June 25, 2021

Hyde County is pleased to announce the Ocracoke Express Tram route will now include the Historic Ocracoke Light Station at Cape Hatteras National Seashore as a drop-off and pickup location. Visitors to the light station will now be able to access this historic location via the free tram system. Light station visitors are encouraged to use the free tram service because parking at the site is limited. Tram pickup locations are located throughout the village and vehicle/cart parking is available at the Ocracoke Express Passenger Ferry pickup location on Silver Lake Harbor. Park and ride with us to visit the Ocracoke Light Station, the oldest operating light station in North Carolina and the second oldest operating in the United States.

For more information including getting to Ocracoke and getting around Ocracoke once you are here, visit www.visitocracokenc.com
